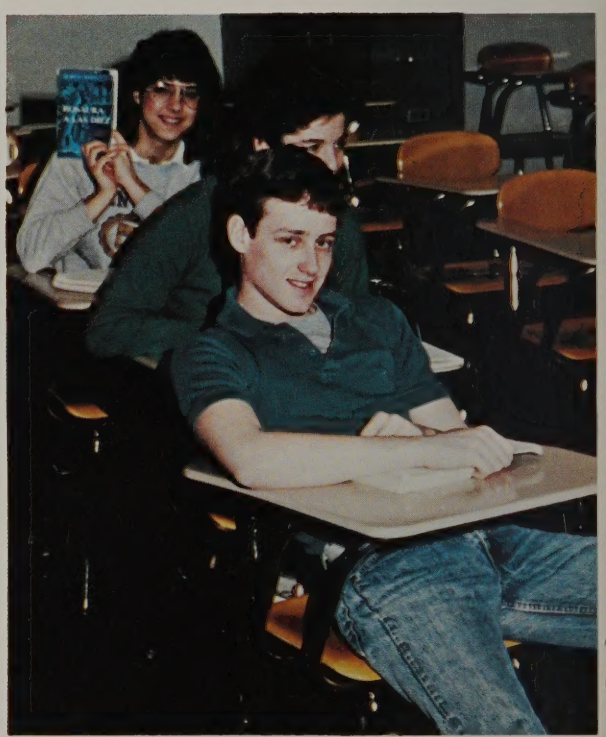
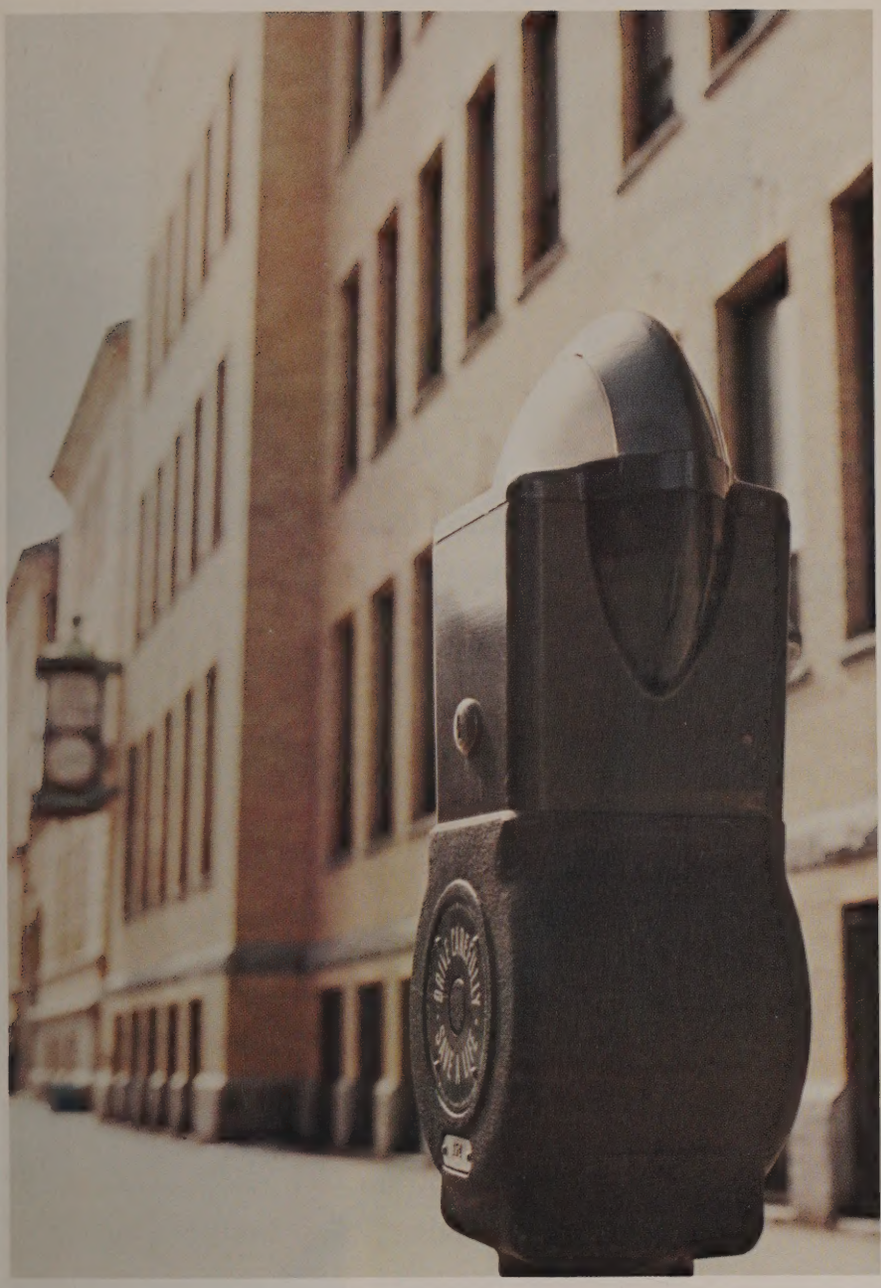
DEDICATION

We, the graduating Class of '84, dedicate this yearbook to our parents who have guided us through the years with their love and understanding. With their encouragement we have been inspired to succeed, and with their support we have been able to cope with our failures. Today, as we stand ready to walk life's challenging road, we cannot forget that it was our parents who helped us take that first step and who were there to put us back on our feet when we stumbled.

We thank our parents for having trust enough to believe in us and patience enough to stand with us through difficult times. Words alone cannot express our love and appreciation for all they have done.

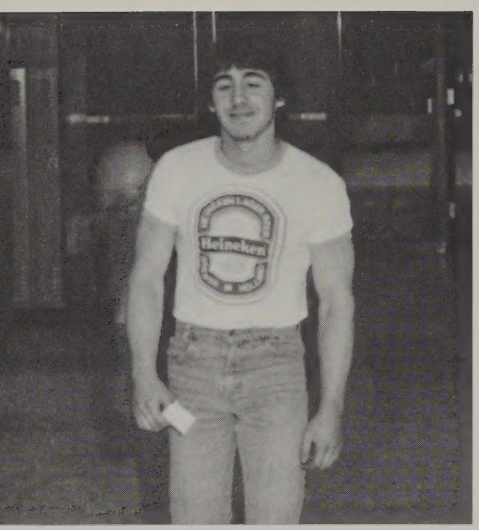
Today may never end . . .



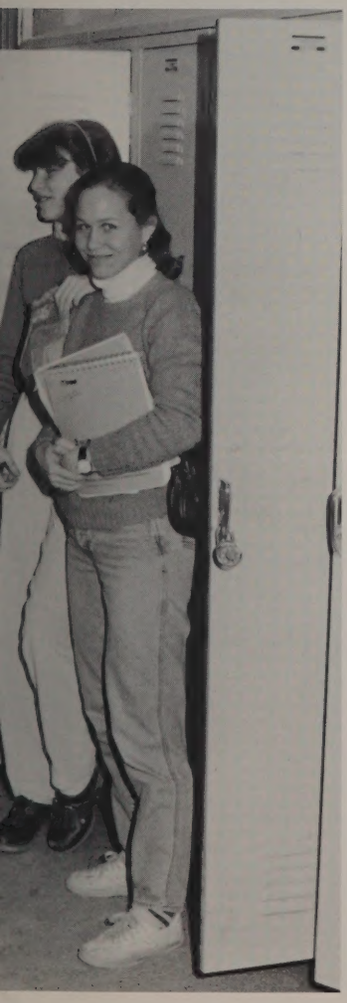


. . . yet tomorrow will always come.

Adolescense was an intoxicant . . .



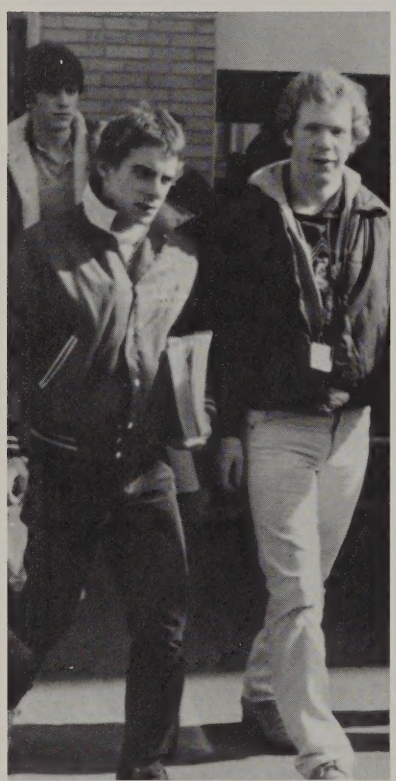
. . . and we were all drunkards.



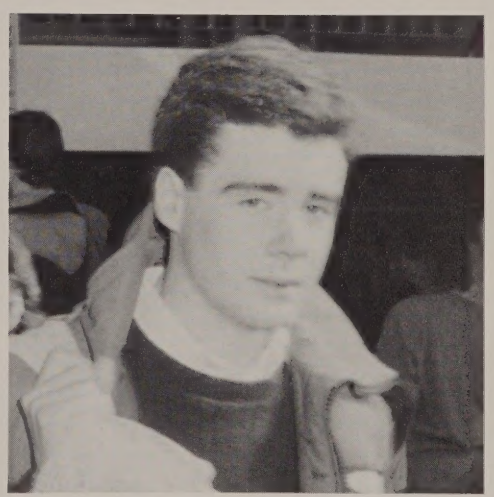
Time will pass,
Will you???

We struggle to give an account of the minute and hour.

Never let ones schooling interfere with their education.

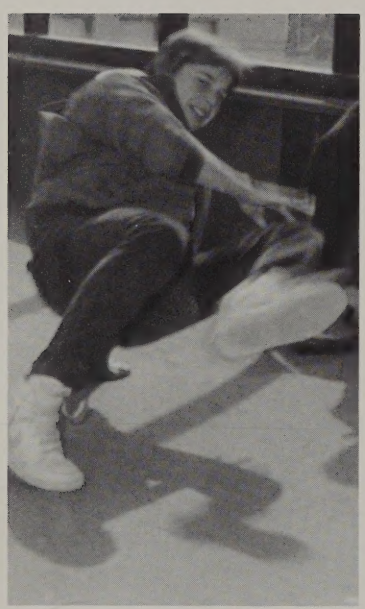


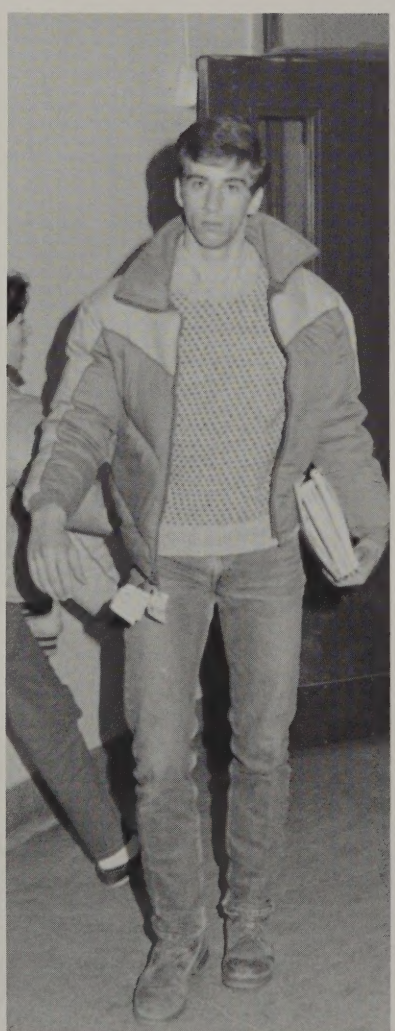
Life is too important to be taken seriously.



LOWELL
HIGH
SCHOOL

We're all waiting to be discovered.





Living on the threshold of adulthood, we choose to move neither backward nor forward and, for the moment, bask in the glorious sunshine of youth.

To change the world we begin with ourselves.

Memoriam

Maureen Furey

I'll lend you a little time, a child of Mine, God said; "For you to love the while she lives, and mourn for when she's dead. It may be six or seven years, or twenty-two or three but will you, 'til I call her back, take care of her for Me? She'll bring her charms to gladden you, and shall her stay be brief You'll have her lovely memories, as solace for your grief. I cannot promise she will stay, since all from earth return, but there are lessons taught down there, I want this child to learn. I've looked in the wide world over, and My search for teachers true, and from the throngs that crowd life's lanes, I have selected you. How will you give her all your love, not think the labor vain, nor hate Me when I come to take her back again? I fancied that I heard them say: "Dear Lord, Thy will be done! For all the joy Thy child shall bring, the risk of grief we'll run. We'll shelter her with tenderness, we'll love her while we may, and for all the happiness we've known forever grateful stay. But shall the angels call her much sooner than we've planned, we'll brave the bitter grief that comes, and surely understand."

Gertrude J. Thomas

The community of Lowell High School was deeply saddened by the death of one of its members, Miss Gertrude J. Thomas on June 4, 1984. Miss Thomas had served as a Guidance Counselor at Lowell High since 1964 and as a Biology teacher for 5 years prior to that date. She was a graduate of Boston College where she earned both a Bachelor of Science Degree and a Master's Degree in Education. All who worked with her or were served by her characterized Miss Thomas as a conscientious, caring and concerned professional. Her counseling and guidance of the hundreds of students in her charge over the years went far beyond the requirements of her post. For the last several years Miss Thomas coordinated the Advanced Placement Curriculum and Testing Program at Lowell High School. Even during a period of many months when she knew of her illness and was receiving treatment, Miss Thomas' concern and dedication to duty remained unabated. Throughout her life and even more so throughout the period of her heroic struggle with her illness, Miss Thomas maintained powerful faith and love in God. She will be sorely missed but long remembered.

For you, the graduates, June 1984 marks a very special year in your lives. It is a transition from the turbulent developmental years to the threshhold of adulthood and new career plateaus. As long as you live, you will never stop using all, or most of all, that you have learned in your elementary and secondary school years. The implications of that thought are indeed awesome. We who have been your teachers, your counselors, pray that we did our jobs well. We wish you our very best for a life fulfilled with health and achievement.

Good Luck!

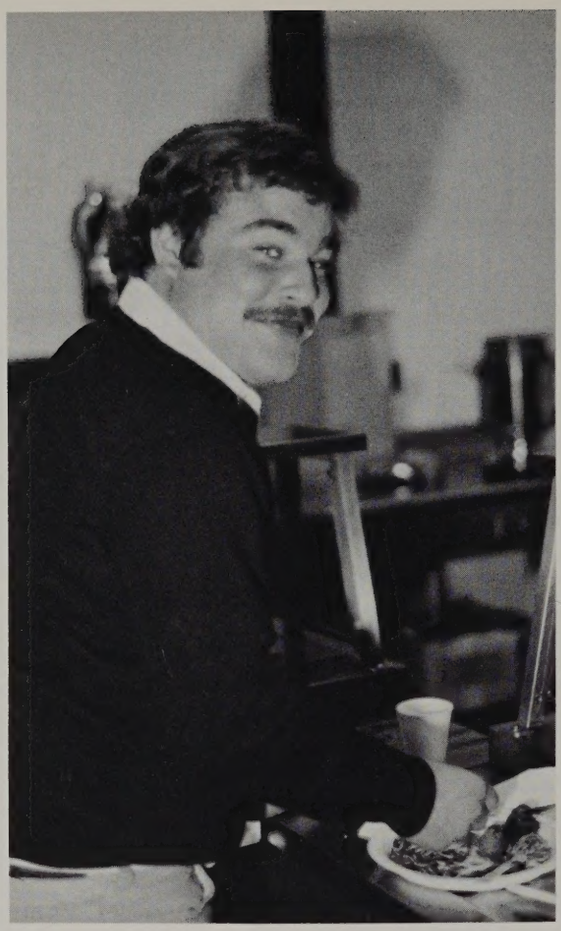
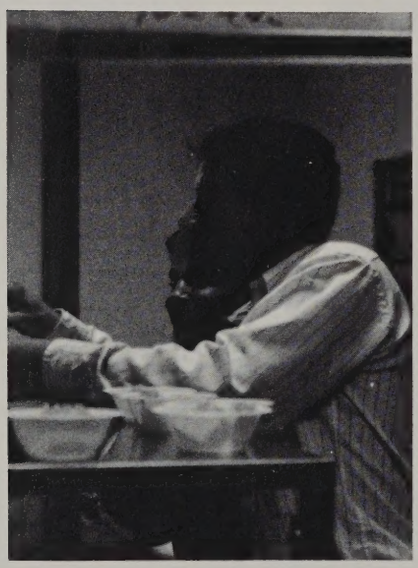
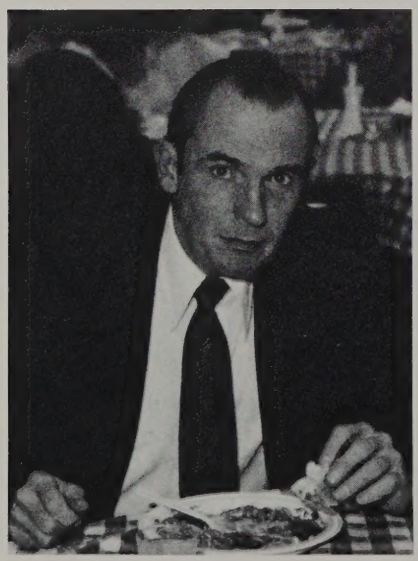
Teacher Appreciation Night

On Nov. 27 the Student Government members together with students in the Culinary Arts department organized the Annual Spaghetti Dinner in order to show their gratitude toward their teachers. While the Culinary Arts students prepared the dinner, student government members served their teachers in the cafeteria that they had decorated earlier for the occasion.







Student Government

The Lowell High School Student Government made the 1984 school year a very busy, but successful one. With the help of approximately 200 members, they were able to hold annual events such as Spirit Days, Teacher Appreciation Night, and two Carnation Days. They also held two Red Cross Blood Banks, a Clean-Up the School Day, and participated in new activities such as co-sponsoring a Candidates Night for the Lowell School Committee as well as holding a fund raiser in order to present one of its senior members with a scholarship. The year became a memorable one for all its members.

International Language Club

The fourth year of the International Language Club was a memorable one. With coordinator Priscilla Donlon and Joan Flynn as President, each chapter hosted an informative and entertaining meeting.

The Spanish Chapter was directed by Maryann Kulesa and Phil Maia.

The Latin Chapter was directed by Mr. Donald Bailey.

The Greek Chapter was directed by Dr. Peter Rizos.

The French Chapter was directed by Mr. Roland Boisjoly and Claudette Donohue.

This club is one of the most successful and fast growing organizations.

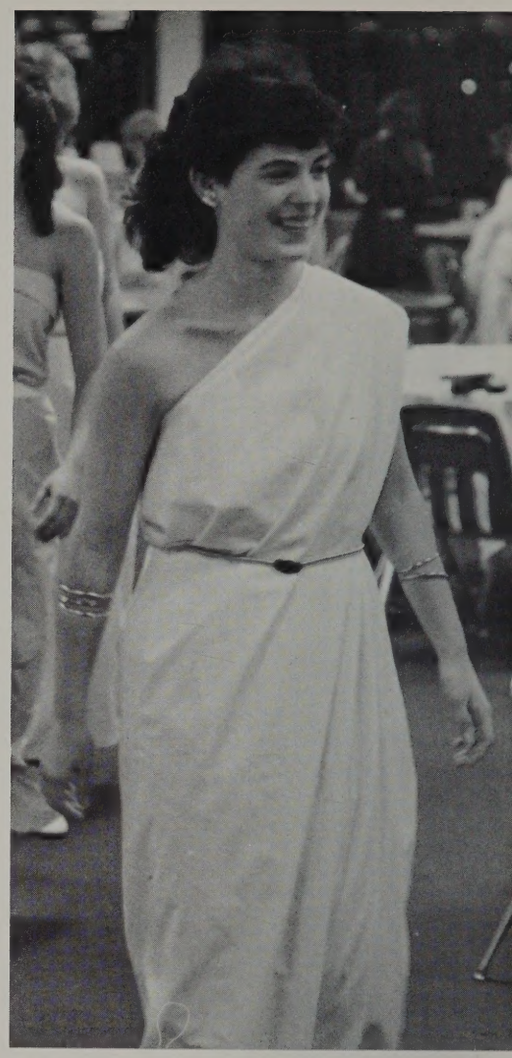
Junior Classical League

It was another superb year for the Junor Classical League here at Lowell High. Under the guidance of Mrs. Grace Scanlan and Mr. Don Bailey the chapter members participated in such events as the Roman Banquet, Classics Day, the National Convention, and the National Latin Exam.

This marked the sixth year that LHS has been represented on a state level in this national organization.



Band Makes a Stand

During the 1984 school year, the LHS Band participated in many school events such as pep rallies, football games, the National Honor Society Induction and Graduation . . .

And not only were they active in such school events but they also took part in several city-wide parades and competitions.

The LHS Band practiced all year for its annual concert in March which was a smashing success.

LHS Majorettes

The LHS Baton Twirling Squad worked hard to create a new image. Improve fashion, rhythm, and movement aided to the formation a potential top notch unit. The enthusiasm among members was enjoyed and appreciated by all. The squad performed at football halftimes, pep rallies, and represented LHS in the cities several parades.

The squad should be thanked and congratulated for an excellent year.

Choral Arts Spreads Harmony

The Choral Arts Department under the direction of B. Douglas Townshend had a nonstop year. Starting with the Harvest of Harmonies, the chorus went directly to the hectic Christmas season, and the musical "Showboat." Extra events were small concerts, Northeast Districts, the city-wide chorus and several fundraisers. The Chorus had a very rewarding and prosperous year.

Spindle makes the year timeless

Twas' the day before deadline
and all through LHS
all were oblivious
to the Spindle staff's fears.

They filed down the stairs
in room 214
they opened the door
and what did they see.

But 3 frantic workers
all running around
looking for pictures
that could not be found.

The orders were shouted
to all on the staff
they flew to their jobs
for fear of Norm's wrath.

Dan made sure everything
was turned in on time
with checklist in hand
he kept everyone left in line.

Now on to the layout
for a final stage
Pat cropped the pictures
so, they fit on the page.

After weeks of work
the stories weren't finished
Erin wrote most of them
and her enthusiasm diminished.

But finally Dan, Pat & Erin
were pleased with their work
they gave their approval
and said with a smirk:
Now, dash away, dash away,
dash to the press
where the book turned out
to be a smashing success.

The book was all finished
the hard work all done
but only three workers left
instead of the original 21.

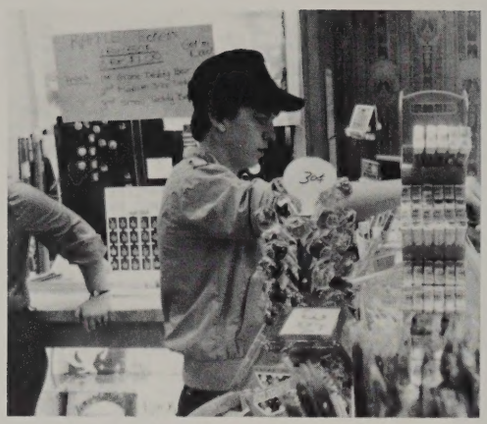
DECA Gets Down to Business



The 1984 year was a most successful one for the Distributive Education Program at Lowell High School. DECA is a national organization affording interested students a chance to explore the fields of business and office management.

DECA members attended daily classes to equip themselves academically for their business-oriented activities. In addition, competition on local, state and national levels and permanent part-time jobs furnished members with practical, day-to-day experience.

Throughout the year diverse activities enabled DECA members to raise funds for several charities. They are an organization that is to be respected and honored.

Boys' Basketball Dunks MVC

This year the L.H.S. Boys Varsity Basketball Team had its finest season ever. Under the direction of Head Coach Charlie Ryan, the Red Raider hoopsters compiled an impressive record of 22-2; becoming only the second team in Lowell High Basketball history to win the Division I North Sectionals. In addition, the team also won the U-Lowell Christmas Tournament and were named co-champs of the Merrimack Valley Conference.

Led by junior Ramon Rivera, Lowell defeated powerhouse teams such as Don Bosco, Lexington and Cambridge Ringe and Latin.

Despite the loss of 6 seniors, next year's team should still be strong.

Selected to the Merrimack Valley Conference All-Star Team were Ramon Rivera, Derek Oliver, Mike Provencher and Adrian Mitchell.

LHS Volleyball Triumphs with Teamwork

The LHS Girls' Volleyball team finished the '84 season with a respectable 9-9 record. With all but two varsity players returning to this years squad, Coach Rick O'Brien had a good foundation on which to build his team. After a slow start, the team picked up speed and steadily improved as each game went by.

At the Fall Sports Banquet Tish Abraham and Stacey Deveres were honored as the team's Most Improved Players. Lauri Quigley and Shirley Souza were both presented with the Coach's Award.

Girls' Basketball Courts a Rebuilding Season

When gathering in December, the girls' basketball team strived to maintain the spirit which had been established the previous year. Facing problems of inexperience, the team began its season with many unanswered questions. What they lacked in experience, the Red Raiders compensated for with dedication and hard work, paving the way to a record of 6-14.

Individual accomplishments for this year's team members were recognized at the Winter Sports Banquet. Belinda Lucas, who in season play set a new high point scoring record of 29 points, was selected to the MVC 1st team. Katie Stewart was selected to the 2nd team as a sophomore. Coach Bob Boehm looks forward to a strong 84-85 season.

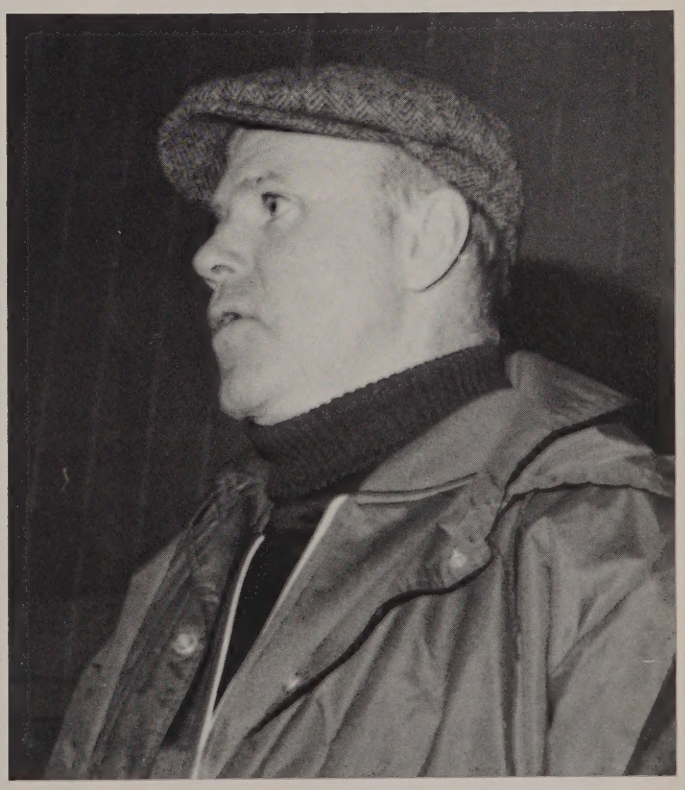
Hockey Freezes Opponents

The Red Raiders skated to an impressive overall record of 12-5-3 for the 1984 season. The team had many breathtaking games that kept the crowds coming back game after game. The team was led by the high scoring trio of Frietas, Rielly and Abraham. The entire team contributed to the success of the Red Raiders season but the backbone of the team was captains Rick Abraham and Jim McMeniman, Tom Witts and junior star Steve Janas. At the Winter Sports Banquet, Rick Abraham was awarded the MVP and Tommy Witts was honored with the Coach's Award. Steve Janas won the coveted John Abraham Award while Jim McMeniman was presented with the Unsung Hero Award. Coach Bill Robinson is looking forward to another strong year.



Gymnasts Rate a Perfect 10

Grace, poise, and agility are the elements that a gymnast combine to obtain the elusive "10". With this winning combination, the LHS gymnasts competed for top scores throughout the MVC. Despite grueling workouts and many ace bandages, LHS gymnasts completed the season with a 9-3 record.

The key to this year's success was the strong willed determination and support of Coach Manny Vagos. Captains Christine Molligi and Tina Reilly were backbone of the team while junior Leo Scott along with many underclassmen added tremendously to the impressive record of the Red Raiders

L.H.S. Softball Fans Opponents

Coaches Sue Callahan and Rick O'Brien guided the L.H.S. Girls' Softball team through yet another season. Though the 6 and 9 season may not have been the most successful on record, it did produce some outstanding individual efforts.

This was somewhat of a rebuilding year for the team, but next year looks hopeful with many underclass players returning next season.

Wrestlers Gain Stronghold

Determined athletes sought the glory of victory in one-on-one competition. Recognizing that the criteria of strength, agility and mental dexterity that applies to wrestling, able athletes were inspired to accept the challenge and join the Red Raider wrestling program.

This year's varsity season was expertly directed by Head Coach George Bossi. Rigorous training schedules kept the wrestlers in top physical shape, while positive encouragement and leadership were provided by Captain Mike Siopes. Although the grapplers didn't have an outstanding year, Raider fans can be proud of the fine efforts and success that came from the team this year.

The combination of finely-tuned skill and tremendous dedication ensured the success and respect that the '84 team deserved. The team volleyed its way to a fine season with an overall record of 10-8, with fine performances from both Pat McCall and Jim O'Brien. Under the direction of Coach Charles Shadan, our L.H.S. netmen placed 5th in the Merrimack Valley Conference and posted their sixth consecutive winning season. Cited as this year's MVP was Pat McCall, with John Normandie receiving the most improved player award. Coaches award went to first year southpaw David Tran. Congratulations to all for a job well done!

Baseball Strikes Out Opponents

The 1984 L.H.S. Baseball Team under the leadership of Coach George Cunha had a superb season this spring. Captains Pat Maguire and Bob Swan led the Red Raiders through what turned out to be a surprisingly impressive, 17-6 season.

Much credit for this successful season must be given to Pat Maguire, Pat McNamara and Tom Broderick and their outstanding pitching records and well as Bob Swan and his effectiveness behind the plate. Chris Riley and Rick Gillis led the team on defense. Kevin Broderick and Scott Boyle performed brilliantly throughout the season as did freshman Bill Janes.

The Outstanding efforts proved successful as the L.H.S. Red Raiders won the Division I North Sectionals.

LHS Gives Golf a Good Shot

The 1984 Golf Team, with skill, style and grace, had a fairly successful season compiling a record of 6-8-1. They polished their repertoire of shots in order to deliver smooth performances. Solo senior Barry Paquette played a strong role throughout the season. Captain Steve Janas was the backbone of the team. John Riley had an outstanding season and junior John Howarth was the only player to qualify for the state tournament. This years' team was very young, but next year should produce some impressive accomplishments.
